Is the Summit right for you?

For the Summit to work for you, you must feel comfortable with the following selection criteria:

- You are a main HR decision maker for your organisation and directly influence strategy at a divisional or group level
- You personally control a significant HR budget (this level of budget will normally relate to employee numbers in excess of 500)
- You have a need to meet a number of service providers that are relevant to your business needs during the Summit in a 1-2-1 meeting format
- You are able to take 3 days out of a busy schedule to attend. The results will be worth it!
