General description: Designed specifically for future HR leaders, HR Basecamp is fast paced, powerful, fun and relevant. A one-day programme of TED-style talks, ignite presentations, panels, debate and mentoring. The event will take a holistic approach to focus on personal and career development. HR Basecamp will build resilience, provide tips to develop interpersonal and communication skills, and give all attendees access to the most invaluable resource – contacts within the wider HR community. A network of people that they can share experience, best practice and grow with throughout their career.

Event features:

- **HR Heroes** – hear from a panel of HR Directors who have been there and done that! They'll share top tips, insights and lessons learned
- **Build your network** – spend time with a group of likeminded HR professionals who are in the same stage in their careers
- **Keynote** – be inspired and hear from someone who's broken from the norm
- **Have your views heard** – take part in a planned debate with DebateMate and round-table discussions on key topics like the future of HR
- **Ask questions** – send anonymous questions about HR that you've always wanted answers to - our speakers and HR Heroes will give their thoughts!

Core themes:

- Tech innovations & trends
- Future of HR
- Wellbeing
- Developing your personal brand and career pathways and accelerators
- Diversity, gender and inclusion
- Ethics and sustainability
- Agility & reliance in HR
- Commerciality & strategic business partnering
- Managing upwards and influencing change
