# 6 Top tips for making the most of the virtual summit

#1 - Register for Hopin in advance of the event and make sure you have complete your profile, for the most effective networking. Make sure to add your LinkedIn details!

#2 - Let people know your coming in advance of the event on your social platform - so they know to look out for you! You can find a downloadable social graphic on our welcome page. Be sure to tag @summitevents and #HR21V

#3 - Give networking roulette a go! It's so fun - the serendipity of spontaneous networking, as close as we can get!

#4 - If you are unable to make a meeting or the other person doesn't turn up. let us know as soon as possible

#5 - BE THERE! Treat it like a live event. Block it out of your diary and give these learnings your total focus

#6 - Ask questions! Use the chatbox or jump on your screen - the more questions the better
