Have you heard about....

HR Basecamp - for future HR Leaders - 14 September 2021

Designed specifically for future HR leaders, HR Basecamp is fast-paced, powerful, fun, and relevant. A one-day programme of TED - style talks, ignite presentations, panels, debate, and mentoring, the event will have a holistic approach and focus on personal and career development. We are also running a series of webinars for Future HR Leaders in the build-up to this event, see our website for more information
